- n- o	About 10 a.m. on 4 June 1951, a silver-gray twin-engine plane landed at Schoenefeld airfield. The plane had the door on its right side and the Bulgarian national colors on its rudder
	assembly, Strawberries were unloaded from the plane. Then the plane was loaded with brass and took off about 1:30 p.m. The
	same procedure was repeated on 11 June. About 10 a.m. on 8 June, a plane with North Koreans and Chineses landed at the field. The passengers were to take part in a rally.
2.	The biplanes stationed at the field repeatedly circled over
25X1B	the field between 5 and 13 June.
•	
3	On 13 June, two gray-green twin-engine planes paint, with
25X1A	star took off from the field individualy at 4:45 a.m. and
	5:45 a.m. respectively. A biplane circled over the field at 4 p.m.
4.	On 14 June, a twin-engine plane with tail wheel, a door on its
25X1B	Tight Side, one revocis
	At 6:45 p.m., another gray-green twin-engine plane with red Soviet stars landed at the field and taxied to the southern section of the field.
مين	It was learned from a painter employed at the field that,
5.	every Saturday morning SED men were given political instruction by Soviet political officer Hajor Volski, (fnu). *
